Collaboration with GenderMed-Wiki

Thank you for supporting this project by choosing to make a contribution to the platform. To maintain a high standard of content quality, all articles and educational material are screened and reviewed by experts before publication. You can learn more about the review process by clicking [here](#). Notes on the exact procedure can be found in the instructions. Do you want to make a set of slides or a case study available on GenderMed-Wiki? For greater uniformity, please use the slide master or the page template .

Write an Article/Upload Educational Material

Before writing an article for GenderMed-Wiki for the first time, please inform yourself about the proper procedure by reading the instructions. Afterwards, please register at the *GenderMed-Wiki Board* by following the link below:
